

Do You KNOW a YOUTH who wants to have an edge over their peers???

Then Rock Valley College STEMulations is for them!

What is STEMulations?

STEMulations is an exciting opportunity for students aged sixteen to twenty one who are attending school in Boone County! The program focuses on the fields of science, technology, engineering and math and helps students to expand upon these skills and many others in after school tutoring sessions as well as real “in the field” experiences!

The program is funded through a contract with Rock River Training Corporation by the Boone & Winnebago Counties Workforce Investment board, IL Department of Commerce & Economic Opportunity, and the U.S. Department of Labor for the purpose of creating a competitive, skilled and educated workforce to advance the economic vitality of communities in the bi-county area.

Equal opportunity program. Auxiliary aids and services are available upon request to individuals with disabilities. This program is subject to the provisions of the “Jobs for Veteran’s Act”, Public Law 107-288, which provides priority of service to veterans and spouses of certain veterans. Contact the WIA Equal Opportunity Officer at (815) 547-9616 or TTY (815) 966-2436 or (815) 547-0253.

Why STEMulations will Benefit Youth:

By participating in STEMulations, students will experience:
